

EU-SOUTH ASIA STARTUP HELP DESK

HELP DESK AND HANDS ON SUPPORT

EU- South Asia Startup Help Desk

The EU-South Asia Startup Help Desk was initiated on the 4th of December 2020. The objective of the Help Desk & Hands-on Support is to help start-ups from the EU and Sri Lanka/South Asia to access the Sri Lanka/South Asia and European markets respectively. As a one stop center for all your queries in the context of expanding your start-up to Europe or South Asia, we will provide continuous and consistent support to the start-ups for internationalization.

EU-SOUTH ASIA STARTUP HELP DESK

HELP DESK AND HANDS ON SUPPORT

Our experts will guide the start-ups with the valuable information and relevant networking opportunities. We will support **start-ups in accessing a new market** (customers, partners, distributors, soft landing, networking) and connect them to that market's investors, potential partners for R&D, startups for co-creation and collaborations, and many others. We aim to make the start-ups dream to scale-up and access new markets a reality with our support.

Reach out to our EU South Asia Startup Help Desk point contacts in Europe, India, Sri Lanka. The special feature of the helpdesk is having people from EU, Indian or SL start-ups you can speak to and make enquiries for market access/internationalization.

Register: <http://www.globaltechinterface.com> to connect with partners, customers, investors, start-ups in global markets. Its free!
